“PREPARE FOR SPONTANEOUS COMBUSTION”

A prophetic word by Al Thomas

IN A VISION I SAW A MAN WALKING DOWN A STREET DURING a violent storm. He had an iron wire protruding out of his heart that stretched up to the sky (Eph. 6:6). Imprinted on the wire were two words: ‘Hungry and Frustrated.’ The tip of the wire in the sky probed the heavens for a connection. Suddenly a powerful bolt of lightning shot out of a cloud and struck the wire. An ear piercing clap of thunder followed. It was so loud people on the street were startled. The lightning bolt traveled down the wire and the man *burst into flames*. I thought he was dead but he quickly composed himself and had a look on his face that expressed ‘great joy and relief.’ He calmly looked himself over as if he were just fitted for a new suit ...made of fire. He looked at his burning right palm and saw written the words, “*The God of Elijah.*”

God says: “GLORY STORMS ARE ON THE HORIZON”

“I see many of my children with their antennas up as if they were searching my heaven with a great hunger and frustration. They have prayed for agonizingly long seasons yet have never given up (Rev. 2:26). They are about to be hit with My bolt of Glory Lightning (Rev. 4:5). Strong prophetic utterances will be on their tongues, and none of their words will fall to the ground (1 Samuel 3:19). No one will see the lightning except those who have been struck, although their faces will glow brightly. Glory storms are to hovering over congregations small and large. Bolt after bolt will strike my servants. With every lightning strike a portion of hell will tremble (James 2:19) and a piece of heaven will descend (Matt.6:10). Put your antenna up...”

God says: “LIGHTNING BOLTS OF GLORY WILL AWAKEN SEEMINGLY DORMENT MINISTRIES”

“Some small ministries that seemed to have lain dormant in the ground will quickly take off like a sprinter in a race (Psalm 19:5). Discouraged leaders will be amazed at the quick fruit that is reaped, contacts made and the influence they suddenly have. For the first time in many years they will feel electrified because they will get a glory shock from Me. For most it will be so unexpected that no anticipation will be felt before they are struck with My power. It will truly be a ‘suddenly’ (Acts 2:2). As quickly as I knocked Paul off his horse (Acts 9: 3-4) this heavenly lightning will knock others back on theirs and they will gallop back into the battle (Jer. 46:3-4). This time they will run hard like mighty men and never get tired (Joel 2:7). Mount up...”

God says: “LOOK FOR MANY TO EXPERIENCE SPONTANEOUS COMBUSTION”

“Others will be walking down the street, burst into a glory flame and ‘out of the blue’ start testifying to the lost. My blaze of glory will erupt within many and although it will not be seen *completely* by everyone, all will notice one thing; the brilliant flash of an angelic countenance (Acts 6:15). Some will even mistake them for angels (Hebrews 13:2); others will call it ‘The Glow’ because a supernatural radiance will beam from the person’s face. Have not intercessors cried out for my glory to be manifested (Hab. 2:14)? It is almost time for the latter rain (Hag. 2:9) and my glory clouds are forming. Just before My rain comes many will be struck with a glory bolt from above or spontaneously erupt into a blaze of glory. Be ready to give an answer when you erupt into flames (2 Tim. 4:2). Put your lightning rod up, My glory is about to strike...and no earthly fire department will be able to quench it.”

“And of the His angels he says, Who makes his angels winds, and his ministers a flame of fire” HEBREWS 1:7
